Enclosure No. 1 of

His Docket No. 39 dated 5th September 1899, submitting for sanction an estimate amounting to Rs 921 for repairing the Sri Anjaneyaswami temple at Nirle, Yedatore Taluk.

Has the honor to observe that in his docket cited above, the Dy Comr reports that a sum of Rs 460-8-0 has been collected from the devotees and deposited in the Govt Savings Bank, but in the Abstract attached to the Estimate, the amount

of such contribution ~~by the~~
~~devotees~~ is shown to be only
Rs 450. This difference of
Rs 10-8-0 requires explanation

2. Further, the amount paid
by the devotees has been deducted
out of the total cost of the repairs
and the balance, viz Rs 471 has
been ordered as the total amount
of the estimate to be now sanctioned
This is incorrect. The Dy Comr
is therefore requested to have a
fresh estimate prepared for
the entire cost and submit the
same for sanction at an early
date, together with information
as to the exact amount of
contribution collected from the
devotees and deposited in the
Savings Bank.

3. The estimate received
with his docket under
reference is accordingly
returned herewith
